

**DONATIONS NEEDED NOW TO FIGHT  
THE PROPOSED BIG BOX DEVELOPMENT  
ON NE 82ND & SISKIYOU**

If you are concerned about the impacts that the proposed Big Box development will have on the Madison South and Roseway neighborhoods, NOW is the time to make a difference. In order to provide the neighborhood's perspective on the impending permit application, we will need to rely on land-use lawyers and experts for testimony in the hearing process. This will cost money, and we are now stepping up our fundraising efforts for those services—and you are critical to this part!

We are asking ALL neighbors who can contribute anything— be it \$1 to \$1,000 to step up to the plate **now**... the permit application could come in within the next 30 days! The good news is that your contribution to the Save Madison South Committee protecting the livability of the neighborhood.
